WITHDRAWAL OF ABANDONMENT

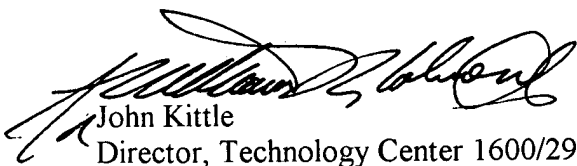

This is in response to applicants' petition under 37 CFR 1.181, filed December 30, 1999, requesting withdrawal of the holding of abandonment based on the filing of a timely response to the Office action mailed April 12, 1999

A review of the file history shows that the examiner mailed an Office action to applicants on April 12, 1999, setting a three month shortened statutory time period for reply. On December 21, 1999, the examiner mailed a Notice of Abandonment to applicants indicating no response to the Office action had been received.

Applicants aver that a reply was filed on October 12, 1999, as evidenced by the Office date stamped return postcard showing a date received of October 12, 1999. Applicants provide a copy of the submitted reply, a request for a CPA, with the petition. The reply was accompanied by a request and fee for a three month extension of time. In view of applicants' timely response the Notice of Abandonment is rescinded as having been mailed in error.

Applicants' petition is **GRANTED**. The application is restored to pending status with the mailing of this decision and will be forwarded for processing as a CPA.
